

STRATEGIC FRAMEWORK

2019 – 2022

Charitable Registration Number:

803241587RC001

SHARON FRANCIS INSTITUTE
FOR REGENERATIVE MEDICINE

MISSION

To support scientific research and create awareness around the field of regenerative medicine.

VISION

To help realize the adoption of regenerative medicine in the Canadian healthcare system.

CORE VALUES

FORWARD THINKING: Support for the most innovative and impactful science.

TRANSPARENCY: Be open about who we are, what we do, and how we do it.

COLLABORATION: Attract and involve stakeholders who share our vision and goals.

MISSION, VISION & VALUES

A background image of a laboratory setting featuring several microscopes. The focus is on a microscope in the foreground, with others visible in the blurred background. The lighting is soft, and the overall color palette is muted, with blues, greys, and whites.

01

To advance education by conducting and/or funding research in the field of medicine, including regenerative medicine, and disseminating the results of the research to the public;

02

To receive and maintain a fund or funds and to apply all or part of the principal and income therefrom, from time to time, to qualified donees as defined in subsection 149.1 (1) of the Income Tax Act (Canada); and

03

To undertake activities ancillary and incidental to the attainment of the above purposes.

PURPOSES

STRATEGY

To become a respected charitable institute which funds and conducts the most innovative projects in the regenerative medicine scientific research field. We will begin with a focus on the degenerative conditions of the brain, specifically those which aim to address an unmet need.

STRATEGIC OBJECTIVES

GROW: Raise 10 million dollars.

BUILD REPUTATION: Get established as a charitable institute which supports cutting edge stem cell research and strives for sustainability.

ENGAGE: Develop meaningful relationships with stakeholders who share our vision.

STRATEGY & OBJECTIVES
